

REU@ND12

2012 Physics Summer Research Positions

for Undergraduate Physics Majors

Discover the Excitement of Research in Physics
at the University of Notre Dame

Areas of research include:

Astronomy, Astrophysics, Complex Systems/Biophysics, Condensed Matter Physics, High Energy, Nuclear Physics and Physics Education.

Students will **work closely with faculty and graduate students** on a variety of current research projects.

10 week appointment for Summer 2012 (May 28-August 4) includes:

- \$4,600 Stipend
- On Campus Housing
- Round trip travel allowance to Notre Dame

Applicants should be U.S. citizens or permanent residents.

We especially welcome applications from women and minorities.
