

State of the Department Address

WEDNESDAY

SEPTEMBER 2

4:00 P.M.

RM 118 NSH

Prof. Chris Kolda

Chair, Department of Physics

Prof. Kolda will address our faculty, staff and students on the successes, opportunities and challenges that have marked the past year and are facing us in the coming year. This will be a good opportunity to welcome new faces, review some of our recent honors and accomplishments, hear about departmental goals and initiatives, and discuss university-wide plans for the coming year.

All Physics department faculty, research staff, administrative staff, postdoctoral research associates, graduate students and undergraduate majors are invited to attend.
