Mitch Wayne

Awards

The Awards Committee works with the Department Chair to: help identify and nominate faculty members worthy of external recognition with awards such as APS and AAAS Fellowships, as well as selecting faculty and student candidates for internal Notre Dame awards. The Chair, DUS and DGS act as members of the committee ex officio, and participate when needed.

Christopher Kolda (Chair)
Umesh Garg
Dan Bardayan
Jeffrey Chilcote
Shelly Goethals
Manoel Couder

Colloquium

The Colloquium Committee works with the broader faculty to identify and bring to Notre Dame a diverse group of interesting speakers to present their research on current topics in physics. The committee typically has members from each of the major research areas in our department.

Grant Mathews (Chair)
Kristen Amsler
Maxime Brodeur
Micha Kilburn
John LoSecco
Sylwia Ptasinska
Dervis Vural

Computer

The Computer Committee addresses specific computer needs of the physics faculty and also serves to represent physics in broader, campus wide computing issues. Typically the chair of the committee serves on the College of Science Computing Committee.

Dinshaw Balsara (Chair)
Shelly Goethals
Kevin Lannon
Anna Simon

Diversity

The Diversity Committee will work with the chair and the University Director for Academic Diversity and Inclusion to ensure that the Physics Department is and remains a diverse environment at all levels and in which all feel welcome. The committee will help to collect data on efforts to promote diversity in the department and will make recommendations to aid those efforts.

Instructional & Course Offering

The Instructional Committee works to build the course schedule each year, deciding which courses should be taught and assigning course instructors. The committee is also charged with overseeing the quality of instruction taking place in the Department's survey and service courses, and working with instructors to implement proven teaching strategies. The DUS and DGS are ex officio members of the committee, and participate in all relevant discussions.

Graduate Admissions

The Graduate Admissions Committee reviews all applications to the graduate program and recommends admission of selected candidates to the department chair. In advance of this review, members of the committee are expected to meet with colleagues in their research areas in order to determine the graduate student needs throughout the department. The chair of the Admissions Committee is the Director of Graduate Admissions.
