

Curriculum Vitae

Mitchell R. Wayne**Education:**

University of California, Los Angeles - Ph.D. in Physics, 1985

University of California, Los Angeles - M.S. in Physics, 1980

University of California, Los Angeles - B.S. in Physics, 1977

Experience:

Professor of Physics, University of Notre Dame, August 2000 – present

Chairman, Department of Physics, University of Notre Dame, July 2006 – June 2013

Associate Dean, College of Science, University of Notre Dame, July 2002 – June 2006

Assistant Chairman, Department of Physics, August 1998 – August 2002

Director of Undergraduate Studies, Department of Physics, August 1998 – August 2002

Associate Professor of Physics, University of Notre Dame, August 1995 – present

Assistant Professor of Physics, University of Notre Dame, August 1991 – July 1995

Research Associate, Iowa State University, March 1988 – July 1991

Research Associate, LAL, Orsay, France, January 1986 – February 1988

Honors and Awards:

Recipient of Shilts-Leonard Teaching Award, 2002

Recipient of inaugural Kaneb Teaching Award, 1999

Outstanding Teaching Assistant, UCLA Department of Physics

Regents Scholarship, University of California

Professional Societies:

American Physical Society

Sigma Pi Sigma

Current Research Interests:

Study of proton collisions at 14 TeV, CMS Collaboration at CERN

Phase I and Phase II upgrades of the CMS detector

Generic detector research and development for particle physics

Ph.D.s Advised

Dr. Linda Coney, Dr. Ryan Hooper, Dr. Julie Kalk (nee Torborg), Dr. Sean Lynch

Graduate Students:

Mr. Ian Mcalister
