

Course Planning for First Year Students Taking Pre-Calculus

First Year - Fall Semester

* No Physics courses
MATH10150 - Principles of Calculus
University required courses
Moreau First Year Experience

First Year - Spring Semester

PHYS10310 - Engineering Phys I: Mechanics
PHYS13310 - Physics Problem Solving Skills Tutorial
MATH10550 - Calculus I
University required courses
Moreau First Year Experience

Summer between First Year and Sophomore Year

Option 1 *(in person)*

PHYS10320 - Engineering Physics II: EM
MATH10560 - Calculus II

If Option 1 is chosen, students would proceed with regularly scheduled Sophomore Fall Semester

Option 2 *(in person or remote option)*

MATH10560 - Calculus II

If Option 2 is chosen, students proceed to the Sophomore Fall Semester schedule below

Second Year - Fall Semester

PHYS10320 - Engineering Physics II: EM
PHYS20433 - Physics C: Thermo & Relativity
PHYS23411 - Sophomore Seminar
MATH20550 - Calculus III
University required courses
