

**READING AN OBJECT:  
DEVELOPING EFFECTIVE  
SCIENTIFIC INQUIRY /  
LEARNING IN HIGH SCHOOL  
SCIENCE CLASSROOMS**

Prof. Gordon Berry, University of Notre Dame

Wednesday, September 19 ❖ 4:00 P.M. ❖ 118 NSH

Refreshments at 3:30 P.M. in 202 NSH

I will describe our approach to helping Indiana science teachers as part of the NISMEC (Northern Indiana Science Mathematics and Engineering Collaborative) education outreach programs: with specific discussion of a hands-on technique “*reading an object*” which promotes student questioning and quality interactive learning in the classroom.
